

Junior Section Newsletter - November

As I sit here watching the snow falling outside, I think back to the days where rain was the scariest thing we had to deal with. How times change!!

Things to note

Please check the Harrogate Hockey Club website regularly, particularly with the changeable weather we're experiencing. If you look in the 'News' or 'Latest News' section of the site there will be updates regarding training sessions, venue changes and other news too.

Due to the incredible success of the Junior Section at the Club and the high volumes of renewing and new members, the following sections are currently no longer able to accept new membership applications:

U10 Boys and Girls
U12 Boys and Girls
U14 Girls

We are still accepting membership applications for U14 boys and U16 Boys and Girls. Thank you for your support and understanding and please keep checking the website for further updates on this.

Venue change - U16 Boys - 12th December 2010 - venue is now Huntington School as the Thirsk turf is currently being re-done. Address details are on the Club's website in the Junior Section under the Junior Co-Ordinator's details.

Please make sure that you register upstairs in the Clubhouse before joining your training session for Health and Safety reasons.

Harrogate Hockey Club mugs

That's right, the official 'home' and 'away' Harrogate Hockey Club mugs are now on sale - £6.50 each or £10 a pair. You can buy them from the bar or by contacting Ali Wales or James Berman. They'll make lovely Christmas presents for your budding England stars!!

Junior Section teams' tournament news

(7/11/10) U-16 Girls' form continued to impress with some great results. The team have consolidated their position in the top ten of the YYHA League table

(7/11/10) U-12 Boys continued where they left off from the previous tournament and the team included some of the newer players to the Club this season. They had a solid performance all round.

(14/11/10) U-14 Boys all contributed well to the team and their results on the day showed how well they play together. They also consolidated their position in the top ten of the YYHA league table.

(14/11/10) U-10 Girls had a cracking tournament winning every match and gained promotion to boot! With new and experienced players playing together the team should be very proud of themselves.

(21/11/10) U12-Girls teams both had encouraging results and continue to grow in confidence with every match played. They still could do with another umpire to help out on tournament days. If you can help, please contact James Berman.

(21/11/10) U16-Boys have continued to develop and their results on the day prove this, losing only one match. The fact that most are now playing regular senior hockey as well shows their progress to date.

(28/11/10) U10-Boys' tournament was unfortunately cancelled due to the pitch being unfit for use as a result of the snow fall.

(28/11/10) U14-Girls could not play their tournament either because of the snow.

Coach required

A Lead Coach for the U14 girls is required as Ruth will sadly be leaving the Club at the end of the year. Please could anyone interested taking up the position contact James Berman in the first instance.

HAVE A GREAT CHRISTMAS!!

James Berman
Junior Co-ordinator
Harrogate Hockey Club
