

3 adidas hockey sticks to be won

adidas have kindly provided the MT13 February Clinics with 3 hockey sticks as prizes.....As well as the usual MT13 'Player of the Clinic' Playing Strip and MT13 Training Shirts

How it Works

Players will be divided into adidas sponsored countries (Holland / Germany / England and a special MT13 Team). Whilst participating in group work and in team play, players will be contributing to their countries success

There will be 1 or 2 coaches acting as the management team of each country

Group Work

During the 2 days players will learn a variety of new and innovative skills. Aside from new skills players will take part in a wide range of competitions to eventually decide the winning country

The Winning Country

Players in the winning Country will receive a prize and all other players will be competing for the 'Player of the Clinic' MT13 Playing Strip, an MT13 Training Shirt or 1 of the 3 adidas hockey sticks on offer
