## Welcome to Season 2009 - 2010

Here we are again at the beginning of a new season. We have now been at Granby for ten years and are celebrating with the installation of a new hybrid surface for the pitch. This I am told will help in the development of new ball skills.

The Ladies 1st XI have gained promotion back into the North Premier Division - well done to them and as a reward plans are in place for a comprehensive work programme. The Ladies are as usual a credit to our Club and I wish them a prosperous year.

The Men's 1st XI unluckily relegated last season are keen to seek an immediate return to the North Division 2 East. We have a great team, so let us all give them plenty of support over the coming months. The 2nd XI also face challenges after promotion and I wish them well.

The Junior Section continues to flourish under the guidance of Maggie Bale and her coaches in producing a supply of enthusiastic young players for the senior teams.

I would particularly like to welcome to the Club all the new members and wish everyone a successful and enjoyable season.

Please note that fixtures and venues are subject to alteration. Your team only has fixtures on the date where the actual venue is entered or where "TBC" is present in the relevant date box. Please ensure that you meet as normal on these dates.

Please note that if you are selected to play for a senior side, you will be expected to remain behind after your game for at least half an hour. This is to ensure your captain completes any administration including collecting fees and confirming availability. More importantly, however is the socialising with the opposition. We regard this as a crucial aspect of our social responsibilities.

### Yorkshire Youth Hockey League Important Information

Meeting Place for all away games will be Harrogate Hockey Club, Granby School, unless otherwise notified.

The times given after each fixture will be the leaving times. Please be prompt.

Club shirts will be provided for all fixtures. They must be returned. Bring a white T-shirt in case of colour clashes.

All players must provide: navy blue/ black shorts/skirt, royal blue socks, astro shoes, shin pads, gum shield.

Always bring warm clothing for wearing between matches including waterproof jacket, hat, gloves etc. They are long mornings.

Bring food and drink for players and spectators. Not all venues have facilities.

Transport: we rely on the kindness of parents to help transport the team. Please let your manager know in advance if there will be places available in your car. A phone call on the Monday prior to the match would be helpful.

Team managers' telephone numbers are on the junior section managers' page.

Finals days are held for the top 8 teams in the U14 and U16 boys and girls leagues

## Harrogate Hockey Club - Code of Conduct

### Interaction with Umpires:

Verbal or physical abuse of an umpire will not be tolerated.

Never argue with an umpire.

Anyone receiving more than two yellow cards for verbal abuse or dissent will be called before the Disciplinary Committee.

### Pre game:

On match days please arrive at the place stipulated at the correct time. Ring the team captain if you think you are going to be late. Make sure you have your captain's mobile number.

Do not practice on the side of the pitch when another game is in progress. Use the warm up area. No one is allowed to enter the pitch area until the previous game has finished.

### During the Game

The Captain is responsible for the conduct of their team for the duration of the game. Do not put him/her under pressure by poor behaviour.

Rolling substitutions should be expected. Substitutes should wear a different colour top from their playing strip.

During the Captain's team talks have the courtesy to listen to what is being said. Keep all comments positive.

### Discipline

This club wants to achieve an exemplary record. Those who undermine our efforts in this area are risking their future with the club.

We expect umpires to be treated with respect before, during and after the game. The cost to the club of dealing with any disciplinary matter will be borne by the player.

The club will deal with any disciplinary matters in accordance with the published Disciplinary Code.

The club will not tolerate abuse of any kind on the grounds of gender, disability, race and ethnicity, religion or beliefs and sexual orientation by any club member.

### Spectators:

To maintain our sporting reputation spectators, are expected to respect umpires, visiting teams and their supporters.

## Post-Game

Weekly match fees should be paid to the team captain or nominees without them having to come looking for the money.

It is your responsibility to seek them out and pay, not for them to chase you.

You are expected to stay at the club to entertain your opponents and do any jobs required to help your captain, such as running the raffle or helping with teas.

## Communication

It is your responsibility to ring your captain to find out your match arrangements for the coming weekend, including finding out if the game is on when the weather is poor.

Please keep your captain informed of your availability.

## Payments

Subscriptions must be paid in full by the 31st October. Failure to do so will raise a surcharge and may jeopardise your selection.

Failure to pay match fees on time may also impact on your chances of selection.

## Kit Bags

No kit bags to be left in the club foyer.

## Insurance

Although the club is insured against the risk of public liability, the club does not insure players against personal accident either on the field of play or travelling to and from matches. Members are strongly advised to effect their own personal insurance cover for personal injury and also for loss or damage to personal property.

## Data Protection Act

The club holds certain data relating to each member. This information includes the member's name, address, telephone numbers and e-mail, along with other details of a purely administrative nature. The data is used solely for the purpose of organising events and contacting club members. This information may be disclosed to officers of the club to facilitate the smooth running of the club. It may also be disclosed to third parties such as the regional and national governing bodies.

## Child Protection

Players may be filmed on the club's CCTV system. This is for security purposes only.
