Welcome to Season 2010 - 2011

I am honoured to have recently been elected as your President and I will try and maintain the high standards set by my many predecessors.

Firstly my thanks to Geoff Philips the retiring president for his illustrious work during his three years of office, a hard act to follow!

Season 2009/10 resulted in the Club progressing in a positive direction particularly in the laying of a splendid new playing surface.

As far as the playing sections are concerned one or two notable performances are worthy of a mention. Gary Nash and his squad of Golden Oldies lifting the Veterans Trophy following a sterling battle with City of York in the final, and the Men's First XI's brave but unsuccessful attempt to gain promotion back into the Northern Premier League. I am confident that with Gary being involved on the coaching staff the team will mount a new and strenuous challenge again this season.

At the end of nine years committed and dedicated service Maggie Bale has decided to retire from her role as Junior Coaching Co-ordinator and I am sure you will all join me in expressing our grateful thanks for all her many achievements over such a long period.

I attended the AGM last month and was disappointed to be reminded yet again of the acute shortage of members willing to contribute something to the management of the Club over and above just turning up and enjoying the superb facilities that are available.

The club does not run itself and it would be such a help if more of you were prepared to put their heads above the parapet to volunteer for even minor roles.

Best of luck to you all for the coming season and I have adopted as my presidential slogan the title of a famous popular song by Heather Small "What have you done today to make you feel proud"

Important Information

All age groups compete in the Yorkshire Youth Hockey League. The Team Managers for each team will liaise with players regarding team selection, next tournament dates and getting to the venues. Please see 'Junior Section Team Managers' page in this handbook for your relevant Team Managers' contact details.

The meeting place before all away tournaments will be at Harrogate Hockey Club, unless alternative arrangements are made. Tournament times usually run from 10.00am to 1.00pm. Please see 'Junior Section Fixtures 2010 / 11' pages in this handbook for applicable fixture information. Please note that tournament times and venues may be subject to alterations. We rely on the kindness of parents to help with team transport so please let your Team Manager know in advance if you are able to assist taking players to applicable venues. Finals days are also held for the top 8 teams in the Under 14 and Under 16 boys and girls leagues.

The purpose of the League is to encourage the playing of hockey by boys and girls in an atmosphere of participation and enjoyment. The Rules of the League are planned to be as minimalist as possible (available on request from YYLA). Players should be UNDER the age of the League age group they will be playing in as at 1st Sept of any applicable season.

Club shirts will be provided for all tournaments and must be returned to your Team Manger after each one. Players should also bring a white t-shirt in case of team strip clashes. All players must wear navy blue / black shorts / skirts; royal blue hockey socks; astro-turf shoes; shin pads, with ankle protection, and a gum shield. Players should also bring warm clothing to wear between matches including waterproof clothing and all items should be named. Please note that not all venues have catering facilities so bring a packed lunch and plenty of fluids.

Verbal or physical abuse of an umpire will not be tolerated.

Never argue with an umpire.

Anyone receiving more than two yellow cards for verbal abuse or dissent will be called before the Disciplinary Committee.

Pre game:

On match days please arrive at the place stipulated at the correct time. Ring the team captain if you think you are going to be late. Make sure you have your captain's mobile number.

Do not practice on the side of the pitch when another game is in progress. Use the warm up area. No one is allowed to enter the pitch area until the previous game has finished.

During the Game

The Captain is responsible for the conduct of their team for the duration of the game. Do not put him/her under pressure by poor behaviour.

Rolling substitutions should be expected. Substitutes should wear a different colour top from their playing strip.

During the Captain's team talks have the courtesy to listen to what is being said. Keep all comments positive.

Discipline

This club wants to achieve an exemplary record. Those who undermine our efforts in this area are risking their future with the club.

We expect umpires to be treated with respect before, during and after the game. The cost to the club of dealing with any disciplinary matter will be borne by the player.

The club will deal with any disciplinary matters in accordance with the published Disciplinary Code.

The club will not tolerate abuse of any kind on the grounds of gender, disability, race and ethnicity, religion or beliefs and sexual orientation by any club member.

Spectators:

To maintain our sporting reputation spectators, are expected to respect umpires, visiting teams and their supporters.

Post-Game

Weekly match fees should be paid to the team captain or nominees without them having to come looking for the money.

It is your responsibility to seek them out and pay, not for them to chase you.

You are expected to stay at the club to entertain your opponents and do any jobs required to help your captain, such as running the raffle or helping with teas.

Communication

It is your responsibility to ring your captain to find out your match arrangements for the coming weekend, including finding out if the game is on when the weather is poor.

Please keep your captain informed of your availability.

Payments

Subscriptions must be paid in full by the 31st October. Failure to do so will raise a surcharge and may jeopardise your selection.

Failure to pay match fees on time may also impact on your chances of selection.

Kit Bags

No kit bags to be left in the club foyer.

Insurance

Although the club is insured against the risk of public liability, the club does not insure players against personal accident either on the field of play or travelling to and from matches. Members are strongly advised to effect their own personal insurance cover for personal injury and also for loss or damage to personal property.

Data Protection Act

The club holds certain data relating to each member. This information includes the member's name, address, telephone numbers and e-mail, along with other details of a purely administrative nature. The data is used solely for the purpose of organising events and contacting club members. This information may be disclosed to officers of the club to facilitate the smooth running of the club. It may also be disclosed to third parties such as the regional and national governing bodies.

Child Protection

Players may be filmed on the club's CCTV system. This is for security purposes only.
